RE: Amended July, 2005 Monthly Report (For activity June 1, 2005 - June 30, 2005) filed December 20, 2005

- 1)The Libertarian National Committee's (LNC) current 'Best Efforts' procedures for ascertaining contributor information result in from 87% to 90% compliance from contributors. The Committee requests address, employer, and occupation information from all contributors whose yearly aggregate contributions exceed \$200.00 and informs them of the requirement of complying with 11 CFR 104.7(b)(1). In the event that the information is not supplied as a result of the initial request, Committee makes a subsequent attempt to collect the information by mail, email, or telephone contact within 30 days of the initial contribution. If the information is submitted after the initial monthly report is filed, the contributor master file is updated and the information is corrected in a subsequent amendment. The Committee also makes periodic requests during the year for all contributors to update their contact information and for contributors whose yearly contributions aggregate to more than \$200 to update their Employer/Occupation information.
- 2) We have amended Schedule A Line 11(a)(i) to reflect the most recent information available to the Committee regarding the Employer/Occupations referenced.
- 3)No expenditures reflected on the Schedule B were made on behalf of any specifically identified federal candidate or candidate committee. All expenditures for 'Audio Visual Equip Rental','BRE Postage Account Refills','Letter Printing and Mailing','Mailing List Broker Services','Postage and Meter Resets','Printing and Mailing Services', 'Recruting Ad', 'Printing and Mailing Services', 'Printing Service', and 'Printing Services' were made for services provided to the Libertarian National Committee. We have amended the wording of the preceding descriptions as clarification.
